4. About residency requirement for the Ph.D. (VPGS)
  - VPGS to look into residency issue and check with other universities, particularly those with distance programs.
  - Current wording is below.

“...At least half of those credit hours must be taken at Missouri S&T. Students holding a master’s degree from Missouri S&T or another institution are allowed 1 year of residency for the degree. The three-year residency requirement can be met by completing the equivalent of two years (four semesters) of full-time academic work beyond a first master’s degree, including at least two consecutive semesters in residence at Missouri S&T while enrolled in at least nine graduate credit hours per semester....”

5. Course Renumbering concerns (Chair) (Tabled)
  - a. Programs that only have MS degrees (email from Psych)
6. New Business
