CALL FOR VOLUNTEERS FOR AD HOC RULES AND REGULATIONS COMMITTEE

Tabled from February/March/April meetings due to lack of time for discussion

- Should this be a standing committee
- Changes in committee representation in regard to new campus college structure
- Changes in conversion from two to three administrative stakeholders
- Change in requirements for selection of Graduate Council members
- Changes to campus administrative structure in regard to automatic membership
- Clarification of membership requirements when faculty change positions
- Ensure rules are/remain in compliance with CRR’s
- Review membership renewal process in regard to tenure timeline
REVISE GRADUATE CATALOG – GPA REQUIREMENTS FOR GRADUATE STUDENTS

To clarify that removal of probation is determined by next semester GPA, not cumulative graduate GPA

GPA Requirements for Graduate Students

In order to earn a graduate degree, a student must achieve both a cumulative GPA of 3.0 or higher for all graduate courses listed on the plan of study and cumulative GPA of 3.0 or higher in all coursework taken at Missouri S&T. In order to earn a graduate certificate, a student must achieve a cumulative GPA of 3.0 or higher in the courses approved for the certificate. On any plan of study or certificate program, no substitution may be made for a course in which the student has earned less than a B grade.

All graduate students are encouraged to maintain at least a 3.0 cumulative GPA at all times, and certain departments may even require this minimum GPA. In cases where a graduate student repeats a course, both the original and repeat grades will be used in calculating the student’s GPA, and both will appear on the student’s transcript.

If the semester graduate GPA falls below 3.0 the student will be placed on probation for the following semester. If the graduate semester GPA is not 3.0 or above in the following semester that coursework is taken, the student shall no longer be a candidate for a graduate degree or certificate from Missouri S&T.
IMPLEMENTATION OF GRADUATE FORMS APPROVAL WORKFLOW USING GOOGLE FORMS

Presentation from Jade Sinnott, Graduate Education

> Tested with four departments from June 2022 – present
  – Business and Information Technology; Civil, Architectural & Environmental Engineering; Mechanical & Aerospace Engineering; Psychological Science

> Training for all other departments will begin in a few weeks as the new process is implemented campus-wide
  – Training will occur with a selected group of department staff/faculty every couple weeks
  – Graduate Education will be in contact to schedule training sessions
