11. New Business
Dear Colleagues:

As president of the Graduate Faculty, I wish to notify you that at our last Graduate Council Meeting, the following Resolution was proposed, voted on, and passed unanimously.

“Whereas CRR 300.030 Faculty Bylaws specify in Section D. Faculty Organizations that the primary functional unit of the faculty is the Department, and for governing purposes the faculty is further organized into the General Faculty, the Graduate Faculty, the Faculty Senate, Standing Committees, Judicial Committees, and Special Programs.

And whereas the responsibility and authority of the Graduate Faculty enumerated in Section D, Paragraph 3, Subparagraph d. specifically mentions the General Faculty, but not the Faculty Senate.

And whereas the Officers of the Graduate Faculty have become aware of discussions by members of the Faculty Senate to propose a modification of CRR 300.030 thereby placing the Graduate Faculty as a Standing Committee of the Faculty Senate.

Now therefore, the Graduate Council objects to any such change in the current organizational structure of the faculty that would subject the Graduate Faculty to a subordinate position as a Standing Committee of the Faculty Senate.

And furthermore, the Graduate Council recommends that the Graduate Faculty concur with the objection of the Graduate Council, and join the Graduate Council in voicing opposition to any proposal by the Faculty Senate that would subject the Graduate Faculty to a subordinate position as a Standing Committee of the Faculty Senate.”

Thank you for your time, and I hope that you have a great day!
